Julius Zajitschek

juliuszajitschek@hotmail.com | 07907 119497 | 20 Brooks Road, Liverpool L37 2JL

Gap-year student preparing to study mechanical engineering at RWTH Aachen University, seeking an internship placement to fulfill pre-university practical training requirements. Experienced in CAD and building services engineering through previous work experience placements, with a strong interest in mechanical design, prototyping and innovative engineering solutions.

EXPERIENCE

NECO Services Design | Work Experience & Junior Engineer
December 2023 & August 2024

"The quality and accuracy of his work was outstanding"
— Company Director, full letter of recommendation available on request.

Proactively solved layout problems for electrical, plumbing, and ventilation systems across building plans.
Used Autodesk AutoCAD 2D to draft building service layouts daily.

Lime Pictures | Work Experience
July 2025
Work experience as a graphic designer in the TV industry.
Used Adobe Illustrator and Photoshop to design and develop a prop book.

EDUCATION

A-Levels
Range Sixth Form, Formby, UK
September 2024 – June 2026

Maths: A Spanish: C
Physics: B EPQ: A* *(worth half of an A-Level)*

GCSEs
Range High School, Formby, UK
January 2020 – June 2024

Including: English Language: 6
German: 9

ENGINEERING PROJECTS

2026
Chromeliness & Open Up

Invented two distinct mechanisms to replicate floral blooming motions and made them into professional artworks.

2025
Mechanical Blooming Asiatic Lily Prototype

Researched Asiatic Lily blooming kinematics and designed, manufactured and tested a functioning 1:1 scale prototype for an EPQ project.

TECHNICAL SKILLS

CAD Modelling (Onshape)
Technical Drawing (AutoCAD)
Arduino Programming & Electronics
Design for Additive Manufacturing (MJF)

TRANSFERABLE SKILLS

Creative Problem Solving
Communication
Visual Design

ACHIEVEMENTS

- Selected Artist, Bath Society of Artists 121st Open Exhibition 2026 *(exhibited kinetic artwork "Chromeliness")*
- Year 13+ Winner, Sefton Young Artist of the Year 2026 *(exhibited painting)*
- Bronze Award, UKMT Senior Mathematical Challenge (Y12)
- Bronze Award, UKMT Intermediate Mathematical Challenge (Y11)
- Bronze Award, UKMT Intermediate Mathematical Challenge (Y10)
- School Council Member (multiple years)
- Teaching Assistant for lower school students (Y12-13)
- Attainment and Effort Awards across multiple subjects
- Third Place, Unilever Bright Future Programme (Y8)

LANGUAGES

English *(fluent)* German *(fluent)* Spanish *(intermediate)*

HOBBIES & INTERESTS

Learning Mandarin
Designing & constructing kinetic artworks
Playing flute & piano
Competitive track running
